### BARTON HEIGHTS RELAY CUP.

Point Winners.  
McRee, 10; Lacy, 9; Wood, 7; McCook, 6; Heubi, 5; Murdoch, 5; J. Peasley, 3; Word, 3; Patterson, 3; J. Peasley, 3; Nisely, 3; Knightly, 3; Carnal, 3; Ruckell, 1; Patterson, 1; Thacker, 1; Hay, 1; Frankie, 1; McCarty, 1.

Although they had close competition and were forced to exert themselves to the utmost, the athletes wearing the colors of the Richmond Light Infantry were victorious in the big meet last night in the First National Bank. The issue was in doubt up to the last few events, which served to keep the large crowd on edge. Church Hill ran a close second, and at one time threatened to win the point trophy. The Blues rolled up a total of thirty-six points, eight above the nearest competitor.

Fergus McRee, the Blues' star, and the victor in all local track meets this season, retained his laurels last night, leading the individuals with eleven points. This clinched his hold on the individual trophy, which was awarded him. He was pushed hard, however, by the Howitzers' dark horse, who made ten points. Lacy came third with a score of nine.

Incidentally marking the close of the indoor track season in Richmond, the meet last night, which was staged under the auspices of the Richmond Amateur Athletic Association, with the Grays as hosts, was an unqualified success. Fast time was made in many of the events, and the athletes were roundly applauded by their followers. The officials ran things off in good shape.

A feature of the meet was the relay races. Barton Heights won the cup offered for the final relay, with Norwood and the Signal Corps second and third respectively. The midwest races were interesting as well as funny, and some fast time was made by the youngsters.

### Gentry Wins Dash.

Exhibiting splendid form, Gentry, the star Church Hill sprinter, won out easily in the fifty-yard dash. Although the Blues' best bet in the event, the Blues' best bet in the event, was beaten by nearly a yard. Little Gentry was tendered an ovation by his friends, who presented him with a bouquet.

Coming back in the hurdles in which he captured first place, the Blues scored heavily in this event, Knightly and Wood, both Infantrymen, finishing second and third respectively. There was keen competition in the heats, which were won by the Blues.

Setting the pace from the crack of the pistol, Heubi crossed the tape first by a good margin in the half mile. Patterson, a young husky from Church Hill, captured every one by grabbing third place.

Felvey captured the honors in the other two dashes, the 110 and the 220 yards. He had no trouble winning the 110, but it was up and tuck between him and Heubi, who finished second in the latter event.

Lacy won the 440 by a fluke. McRee had beat him easily, but was disqualified because he touched his opponent.

Church Hill, had things all their own way in the mile, finishing first and second respectively.

## ROTARY CLUB COMMITTEE WANTS ONE HUGE CROWD

Boosters Will Try to Get Civic Organizations Out to Initial Game.

### GRAY TRADED FOR GASTON

Norfolk Twirler Will Be Given Try-Out—Clarence Berger Is Latest Virginian to Arrive Here to Go Into Training for Coming Season.

Follow the Rotary Club. A meeting of a special committee appointed recently to consider plans for making the opening of the International League season a howling success met yesterday in Rueger's Hotel to organize. Preliminary plans were discussed, and another meeting was called for Friday afternoon in the same place. The meeting will begin at 4 o'clock, and an outline of a scheme to bring every civic organization to the grounds in a body will be discussed. Walter Cottrell is chairman of the committee, and he has as his associates J. B. Moore, Jr., G. Jeter Jones, Aaron Jacobs and Thomas O. Kivlighan. All of them are hustlers and by the time they finish their campaign for the club and his pals can count on one huge band of rooters at the initial game of the International season.

When the committee meets next arrangements will be made for the committee to appear in a body before each of the large civic bodies to urge that they attend the first game. The committee will also ask Mayor Ansley to proclaim a half-holiday on that occasion. Everything possible to insure a big crowd will be done.

The Rotary Club is not interested financially in the Richmond Exhibition Company, but it is at its old game of promoting civic pride, patriotism and enthusiasm, at the same time showing to the world that Richmond is some town. It realizes the advertising the city will get from a good ball club, and particularly is it anxious for the outsiders to learn what a gathering turned out to see the Virginians start their race for the International pennant.

Little practice was done yesterday by the Virginian regulars, recruits and rookies. The biting wind in the early morning made work a folly to men who had been in the field only once before. The afternoon, however, was a trifle warmer, and some batting practice was secured, while all of the players were given a few runs around the field to limber up the muscles stiffened by the workout of the first day.

Work on the grounds is progressing slowly, but surely, and Will Dunn confidently asserts that the infield will be in shape for practice by the end of next week. The infield will be rolled this morning by a seventy-ton machine and sod will be planted this afternoon. The whole will then be wet down good and steady rolled over, drainage facilities, then heretofore, it is hoped to have a fine grass diamond before the opening game.

Clarence Edward Berger was the only new player to report during the day. Berger is looking in fine trim, and will be in uniform to-day, having arrived too late to play yesterday. He is confident of making one of the outfield positions, and will be slated for a suburban job, but other candidates are after a place.

Tunn announced yesterday that he had secured St. Gaston from Norfolk in a trade for Dolly Gray and cash. Gaston was alright last summer against all teams except Richmond. The fans here had his goat, and in one inning at Broad Street Park, he ran in a game in forty-six frames, having a fielding average of .914. At the bat his record was .154.

Two practices will be held to-day. If the weather permits, Captain Ned Ball will work with the infielders and outfielders, while Dunn will direct the batteries. The latter has not yet appeared in uniform, having lost his season, plans to have the effects of the Orioles to Richmond.

## RATS DEFEAT GIANTS ON MADISON SCHOOL ROOF

Girls' Teams Put on Exciting Contest. League Season Is Progressing nicely.

In a very exciting game the Rats defeated the Giants on the roof of the school yesterday afternoon by a score of 5 to 3. In the first half the name of the game was to give the Rats a stage fright, and it looked as if it would be a walkover for the former. But the Rats, led by Thelma Elliott, brought her team back into the second half, and by sterling playing on her part soon placed them in the lead.

The features of the game were the playing of Thelma Elliott, for the Rats, and Kate Lyda, for the Giants.

A great deal of interest is being manifested by the girls of Madison School, and a large number of children sat each evening to root for their favorites.

The next games will be played on Friday between the Athletics and the Butterflies, and the Spiders and Rats.

The score:  
Rats—Mary Peters, right forward; Rachel Markin, left forward; Thelma Elliott, center; Letta Ellis, right guard; Ida Captain, left guard; Bertha Newell, substitute for Letta Ellis.  
Giants—Kate Lyda, right forward; Madeline Poole, left forward; Mary Markin, center; Letta Ellis, right guard; Mabel Cole, left guard; Audrey Markin, substitute for Madeline Poole. E. E. McGinnis, scorer.

## BARNEY OLDFIELD WINS FEATURE RACE AT EXPO

LOS ANGELES, March 17.—Out of one of the most dramatic and thrilling finishes ever witnessed in Southern California motor racing, Barney Oldfield today won the Venice speedway.

Without a stop in the 20-mile grand prix, or even a gear shift, the veteran speedmaster was ready in the final moments to close with the rush of a whirlwind and the gaps which fate in its most treacherous mood opened before him. Oldfield averaged sixty-seven miles an hour.

Half a minute behind Oldfield was William Graham in a duplicate 20-mile race. But for one seven-second stop, too, would have made the speed journey from start to checked flag without a call at the pit. And then came G. E. Ruckstell in his Mercer for third honors as a climax to a most sensational and determined drive after a long pit stop.

Dave Lewis, in a Stutz, a few minutes before the finish halted as the motor laps to go was forced to stop because of a broken oil cup. The accident cost him the \$2,000 prize.

One hour after the race. While the racers were in a fifty-second lap, the crowd was in a fever. A race was attempted, but it was struck by the sufferer, and he is now in a hospital. He is so weak.

## Virginian Hopefuls and Field on Which Team Trains

Reading left to right—Kellogg, Bates, Ball, Strain and Morrisette.

## Skip's Morning Smile

As previously hinted, the Grays' track meet last night was the best yet seen in the city. The fifty-yard dash and half-mile runs were hummers. Those who missed the affair have much to regret.

Homelessness has struck the Virginian camp. Bill King was the first to leave last night, and he was heading for the first train to Hagerstown, Md.

Clarence Edward Berger is in our midst again. The big boy blew into town last night and will be out to practice to-day. Clarence looks in the top shape, and should prove a real find for Dunn.

Benedictine College will play a game with Richmond College this afternoon on the stadium field at Westhampton. The Cadets expect to put up a fight against the more experienced collegians.

With the rather of men under its colors, the Richmond Amateur Athletic Club is looking in fine trim, and will be in uniform to-day, having arrived too late to play yesterday. He is confident of making one of the outfield positions, and will be slated for a suburban job, but other candidates are after a place.

## FOURTEEN ROLLER TEAMS OFF IN SKATING CONTEST

NEW YORK, March 18.—At one minute after 12 o'clock this morning fourteen roller teams, made up of the fastest professional roller skaters in the country started on their twenty-four hour journey at Madison Square Garden.

John Johnson fired the shot that sent the men on their way.

The teams had their individual colors, with the camps of the teams alongside the track decorated accordingly. The skaters raced in single file for a spell when the leaders hit up a terrific pace.

Martin and Bacon, winning team in the last race, came in for the lion's share of the applause, while Willie Blackburn, the State champion, and Willie Moore were close competitors for the popularity prize.

The first hour of the race was really a terrific sight, with the skaters in a few short dashes, which lengthened the race at times to half a lap, but the skaters soon found out after the first hour.

Who, What and Why  
Brief Sketches of Men Who Aspire to Wear Richmond Across Their Breast This Season.

3—WILLIAM D. KELLOGG—3  
When local favorites journey out Broad Street Park way to see the Virginians sweat off the results of soot-living, the first thing to strike their eyes are a pair of pigeon blue socks cantaring over the hitlocks. Inside of those stockings is one of the most promising ball tossers garnered by Jack Dunn. It is William D. Kellogg, formerly of Cincinnati, but now proud to claim Richmond as his summer residence.

William D. Kellogg, despite those socks, is a clean, gentlemanly southerner with his baseball history in the making. Notwithstanding his connection with the Redlegs, Kellogg is without professional experience, having jumped from the Baltimore sand lots into major company with one leap.

Kellogg was born on May 25, 1887, at Albany, N. Y. He moved to Baltimore, where he made a record for four years in the minor leagues, his season being with the Maryland Athletic Club, pennant winners in the intercity series.

Back Herzog took young William to Cincinnati to strengthen his outfield. He was unable to retain him this year because of the player limit, sacrificing the youngster in favor of an older player rather than have a boy now showed partially.

Kellogg is five feet ten inches in height, and weighs 150 pounds. He throws and bats right-handed, and plays around on the infield in various positions, preferring the short field to the sacks.

Watch out, girls—Bill is married.

Heubi had pie last night in the \$800-yard run. He galloped off with the half-mile extra, and his long legs were much in evidence in two relays. His team, Barton Heights, won the relay trophy, a handsome silver cup.

## Blues' Runner, Winner of Individual Trophy

VIRGINIA LOSES AGAIN TO SENATORS' YANNIGANS

CHARLOTTESVILLE, VA., March 17.—Virginia's second team defeated the Senators' Yannigans in a seven-inning contest. The hitting was light on both sides. The pony infield of the collegians pulled in the final three plays. Berkeley and Stickey each made single off of Harper. The weather was quite cold, and the contest was staged in less than an hour.

The score by innings:  
R.H.E.  
Virginia.....1 0 0 0 0 1—2 6 0  
Senators.....0 0 0 0 0 0—0 0 0  
Batteries—Harper and Henry; Gammon, Field and Frey.

INJUNCTION OPINION POSTPONED.  
CHICAGO, March 17.—Decision in the injunction suit of the Kansas City baseball club to restrain the Federal League from declaring its franchise in the city was postponed to-day by Judge Baldwin until next Tuesday.

## Shamrock Day Fights

Kilbane Beats Williams.  
PHILADELPHIA, March 17.—Johnny Kilbane, the featherweight champion, outboxed Kid Williams, the bantamweight holder, all the way in their six-round bout here to-night. Both men weighed in at 122 pounds a half-hour before the fight.

Clabby Is Outpointed.  
PHILADELPHIA, March 17.—Young Ahern, middleweight champion of England, won the popular decision over Jimmy Clabby, of Hammond, Ind., as he outpointed him in their six-round bout here to-night. With the exception of the first round in which Clabby opened a gash over Ahern's eye, the English champion excelled.

White Stops Robideau.  
PHILADELPHIA, March 17.—Charlie White, the Chicago lightweight, stopped Fred Robideau, of Philadelphia, in the first round of a scheduled six-round bout here to-night. After Robideau had received a terrific upper cut on the point of the jaw, and had been knocked down three times for the count of nine, the Philadelphia contender, fearing he was in a helpless condition, stopped the fight.

McGoorty Outboxes Crouse.  
PITTSBURGH, PA., March 17.—Eddie McGoorty won from Buck Crouse at the Carnegie Athletic Club to-night in a six-round bout without extending himself any. In the second round Crouse did a little leading and managed to break even. The other five went to the speedy Westerner.

Welsh Beats Stewart.  
FORT WAYNE, IND., March 17.—After the third round Hal Stewart, of Fort Wayne, never had a chance with Freddie Welsh in their six-round bout here to-night. Welsh piled up points in every round. Aside from the first and second rounds, Stewart was not entitled to an inning. The third was draw, and the champion took the other seven pretty much as he pleased.

CHESTER AGGIES EXPECT TO HAVE WINNING TEAM  
Baseball Squad in Chesterfield School Is Showing Up Well—Season

CHESTER, VA., March 17.—The baseball squad of the Chester Agricultural High School is rapidly rounding into form. With such old men as Captain Bruce, Manager C. W. Shepherd, and Shepherd, Tyler, Eichelberger, C. Bowles and Ketchum back the Aggies have bright hopes. Several changes have been made in an effort to remedy the weaknesses of last year's team.

One of the chief weaknesses of catching has been remedied by the signing of material. Ex-Captain E. Shepherd will be seen in the outer garden this year. He is not handicapped by injuries like his predecessor, and has been shifted to that position, Tyler filling the vacancy at second. Both men are showing up well at their new positions, and put lots of pep into it. Payne, of last year's subs, is being tried out at first. Eichelberger will be back at the catcher and is hitting them out in fine style.

In the battery positions the Aggies are especially strong. Cole and Darwood are hotly contesting the receiving end, the advantage being with the former. In size and the latter in experience. In the box Bruce, C. Bowles and Moore are working well. Bruce is well-known in prep circles and is pitching in top form. Bowles and Moore will be used to alternate with Bruce in the box and outfield. Ketchum will be seen in left field, and Shepherd in center. Right will probably be filled from the surplus battery material.

The Aggies open the season on their home grounds with Richmond Academy on March 23. This is followed by games with John Marshall, McGuffee, Benedictine, Petersburg High and other prep schools.

EVERY PROTECTION ASSURED BY TURKEY  
WASHINGTON, March 17.—Ambassador Morgenthau, at Constantinople, cabled the State Department to-day that Turkey has assured him that every protection would be given non-combatants in Turkey during the war. Mr. Morgenthau had made representations to the Porte on behalf of foreigners on instructions from the United States.

## JACKETS WORK HARD TO DEVELOPE STRONG TEAM

With Three Varsity Men, Coach Reiss Is Shaping Nine Out of Raw Material.

### SCHEDULE IS VERY LONG ONE

Easter Trip Will Include Games With Strong State Teams—Championship Contests Will Begin Here on April 28 With Spiders.

ASHLAND, VA., March 17.—Baseball practice is being held every afternoon on the Yellow Jackets' diamond, and the bunch of recruits seems to be gradually shaping into good form. "Recruits" is the word, for with the exception of Captain Marshall Barrow and Woodin, the team will be composed of new men.

Coach Reiss seems to have a spunky lot of youngsters from which to make a fighting team. There are some fast fielders and several good batters who are going to follow any pace that is set for them.

The team will be given its first try-out against the Ashland team of the old Capital City League on Saturday. Manager Thomas has arranged a schedule of eighteen games with the various college teams of the State, including six championship games.
